Report of Director and School Improvement Council

The Fred P. Hamilton Career Center continued its tradition of excellence in 2013-2014 by meeting the needs of our community and continuing a culture of improvement to best serve our students. Our instructors, students, parents, and community as a whole provided transition services, focused programs of study, professional development, and partnerships that ensured a high standard of achievement for all stakeholders.

The Fred P. Hamilton Career Center achieved outstanding progress in transition services, implementing national and industry standards and professional development. HCC welcomed students and teachers on campus to explore career and technology education. We collaborated with career specialists for district-wide eighth grade tours and held a Career Expo for all freshmen. During the Expo partners from all 10 clusters met with students to explain the world of education and work needed to succeed in the field. These experiences helped students focus on career pathways when parents and students completed electronic Individual Graduation Plans

We again offered a STEM camp for females to target non-traditional students. This program has helped us to meet that Perkins indicator. Once again, we continued to have strong enrollment numbers with an unduplicated student enrollment of 1018 students in HCC courses. This growth is also due to the development of a master schedule based on student requests, providing maximum equity and access to CATE courses for all HCC students.

HCC students excelled on the state and regional levels in SkillsUSA, DECA and HOSA competitions. Twenty five of our students were state winners: 6 in SkillsUSA in Carpentry and Quiz Bowl, 15 HOSA students in Public Service Announcement, Extemporaneous Health Poster, Healthy Lifestyles, Medical Photography, Transcultural Health Care and Medical Reserve Corp' and 4 DECA students in Quick Serve Restaurant Management, Hotel Lodging Management and Retail Merchandising Series. Our HOSA chapter was also named the Outstanding HOSA Chapter in SC. Our carpentry student won a silver medal at the national SkillsUSA competition in Kansas City, MO. We are also proud of the 85 students we have that are eligible for membership in the prestigious National Technical Honor Society.

We look forward to embracing our challenges; among these will be: a continued effort to increase completers-both traditional and non-traditional, increasing the number of students earning TAP credit with partner post-secondary institutions, and improving student readiness as measured by industry and national assessments. We will also continue to develop our professional learning community through the Technology Centers that Work model.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	N/A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Fred P. Hamilton Career Center has been designated as a:

	Title I Reward for Performance - among the highest performing Title I schools in a given year.
	Title I Reward for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the lowest 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
